wow
I didn't know our school had such a place
The roof is closed off so no one comes up here
Of course a first year like you, Kouta, wouldn't know
But I like it here It's calm and quiet
I come here to have lunch
I haven't been here in a while so it's dusty
So that means you haven't been eating recently
I'll just clean this place up
And we can start having lunches here again!

Wow, even the window is shiny!
Oh,
Senpai! I was early and so I managed to clean the window too
Just the floor would have been enough
I wanted to do it anyway
I think, in a very clean place, how we eat and even the rice will be tastier
But of course,
If the setting isn't perfect then your precious cooking can't live up to its true potential
Uh
No
No
Hmm
Oh no, I didn't mean it like that
I would like if we had chairs and tables too
That's a bit tough

It was...
When you say it like that, I'm really fired up to cook!
Senpai...
But I truly believe it
Your cooking made me feel for the first time that I wanted to eat
Is there anything you don't like to eat?
Other than really sweet stuff, nothing
...such a nice moment

Hn...
Kouta..
Your skin, your voice... every thing's delicious
KISS
Hnn
KISS
KISS
S-senpai

Senpai...

Could that have been ...a dream?

Ah

2nd year student Shibusawa brought you here

You're up?

It's the infirmary

Usually he's the one who faints how odd

Wh-where am I?!

FWAP

No...

It wasn't....

STARE

Huh? Kouta -

Ah
You're not going?
I won't be going anymore so...
Acchan, you can have this
THUMP
I'm happy to get it but...
I accidentally made extra
Yeah, you don't like to make him wait so you're usually already off.
Shouldn't you hurry to go and see senpai?
bentou for bf
Yeah...

What...
...are you
SNIFF
Senpai did something bad to you?!
You were rushed to the infirmary yesterday so could it be you're sad because

RATTLE
He looks flouncy but actually he's evil
So you are being bullied?!
Uh..
CLATTERING
Kouta
Are you here?
Senpai!
You were late so I thought something happened to you
?
That's
my bentou!

So this isn't your bentou anymore!
Kouta won't be making anymore bentous for you, senpai!
JUMP

Is this
Kouta
WAH
Please start making your own lunch from now on!
Anyways

Why?
You're asking why?

Shibusawa senpai, if you want bentou why don't you have some of mine?
You can have mine too!
If you don't like handmade bentou I have store bought ones!
Have some dessert♥

I'll follow you
Wait, what if he bullies you aga-
Senpai!
I feel sick
Do you want to throw up?
You useless friend
He could have gone alone
Are you sure you don't want to go to the infirmary?

FIDGET
But if you're sick, the infirmary-
There's nothing-
It's peaceful here but this place...
Even if I wanted to throw up, there's nothing in my stomach to vomit
How could you do that to yourself!
I just need to rest in peace
Yeah
HN
.....

How...?

Well it's your fault Kouta, isn't it?

When did my cooking get that good?!
No, no, that can't possibly be true
I use the most normal ingredients
If that's the case
then, the secret ingredient
It's true, up until now I've never cared about taste
But when I tasted your food
I couldn't eat anything else anymore
It's...
...my
fault?

HUH?
れ
must be you,
Kouta
Delicious, just as I thought
W-wha-
DRIP
ひっ
Hey
Sen-
Kouta-
Last time, I thought it may have been the pudding

KISS

GRAB
Why don't you take reponsibility?
take resp-
You can't just let me taste something delicious and then take it away?
U-uh
If you don't want to make bentou, that's fine

Let me have you
LICK
It's my fault that senpai's like this
Um
GRIP
So delicious can I have some more?
Oh no
K-Kiss
Hn?
It's only a taste test

So I can eat you?
Eat-
I guess licking is fine...
Okay then, let's get to it
Ack
THWAP
As long as you eat
other foods too
I have to do something
...?

Those aren't breasts
How about my hand or my cheek or
Um, licking is fine but
do I have to... like this
Hah
N-no
Mm, you should make more of that noise ♥
GRAB

You're hard?
STAGGER
I get to taste it
Wait

It's not about that
